Any modifications on your motorcycle should be performed by specialized personnel,
however the installation process of this product is quite easy if you follow the instructions below.

CONTENTS

- 1 X Plastic Seat Cover
- 2 X screws M5X20 (allen-round-washers)

1-2

Place the cover on the seat so that its rear end hooks on the seat as shown in photo 1.

Push the cover on the seat so that you can tighten the screws on the threads you will see on the sides of the seat.

The end result should appear as in the photo
Thank you for choosing one of our products.

The product is for race use only
